

## NEWS RELEASE

### Delridge Supportive Housing Advisory Committee

For immediate release:

#### COMMUNITY MEETING ON THE DESC SUPPORTIVE HOUSING FACILITY IN NORTH DELRIDGE

The Delridge Supportive Housing Advisory Committee will be hosting a public hearing at the Youngstown Cultural Arts Center, Main Theater, 4408 Delridge Way SW, Seattle, WA 98106 on February 21, 2012 beginning at 6:30 pm.

This will be an opportunity for the Delridge community to provide input on DESC's supportive housing development on Delridge Way SW. This will be a public hearing. Interested speakers can begin signing up at 6:00 pm. Each person who signs up to speak will be allotted two minutes to address comments to the committee.

The advisory committee is comprised of project stakeholder representatives, including North Delridge Neighborhood Council appointed community representatives (known collectively as the Delridge Alliance), DESC representatives, and other stakeholder representatives. DESC & the Delridge Alliance have established the Delridge Supportive Housing Advisory Committee in order to engage interested neighbors to collaboratively address issues of concern and solicit their advice on the projects impact on the Delridge community.

Testimony given at the public hearing in addition to previously provided neighbor input, will be the basis for the beginning discussions of the Delridge Supportive Housing Advisory Committee.

Neighbors who are unable to attend this public hearing can direct comments to their Delridge Alliance Advocates via email to [alliance@ndnc.org](mailto:alliance@ndnc.org). To learn more about the Alliance please visit [NDNC Delridge Alliance](#).
