Downtown Emergency Service Center (DESC) is proposing to operate emergency housing with robust onsite support services at 13300 Stone Ave. N. (Formerly known as Extended Stay America.)

DESC SUPPORTIVE EMERGENCY HOUSING is a low-barrier program that provides rooms to single adults experiencing chronic homelessness. We offer basic amenities and safe, private, dignified spaces in which people may temporarily live while they search for permanent housing.

Via Zoom, DESC will share information on the planned operations, support services, guest eligibility, referrals, our Good Neighbor Policy and timelines, and will answer questions from the neighborhood.

About DESC

For over 42 years, DESC has served Seattle’s most vulnerable people living without housing. We work to implement innovative and cost-effective strategies to reduce homelessness. These include permanent supportive housing, behavioral health care, crisis intervention, emergency housing and outreach and employment services. DESC’s Supportive Housing Program began in 1994, and includes 15 projects of over 1,400 units of award-winning housing in Seattle. We serve thousands of individuals each year, and help hundreds of people move off the streets into permanent supportive housing.
