VOLUNTEER WITH DESC:

MAKE A CLIENT MEAL

Help provide the residents of one of our Permanent Supportive Housing buildings with an extra-special meal that you will cook and serve! This volunteer activity is best for small groups of no more than 10-15.

Please contact us at least 3 weeks in advance to make arrangements. Your group can either purchase food independently or give DESC with the funding to purchase (recommended). We will provide kitchen and cooking supplies!

HELP SORT ITEMS FOR OUR CLIENTS IN NEED

DESC serves people in the most vulnerable situations in the Seattle area, both in our housing units and living outdoors. The in-kind donations we receive are a vital resource for our unhoused neighbors, and we’d love your help ensuring they are ready to go when our clients need them most!

SITE CLEANING

You and your group can be a tremendous help at one of DESC's housing projects by volunteering to do a deep cleaning session. We will provide the supplies for you to do a thorough clean of the kitchens and other facilities in one of our PSH buildings.

Have a volunteering idea in mind?
Email Nicole Palczewski, Employee Giving Manager, at npalczewski@desc.org to explore your options!
